

I am still awaiting CTA results – what should I do?

Please take note that we have two starting dates:

- 28 November for candidates wishing to commence earlier
- 11 December for candidates awaiting results

If a candidate wishes to commence earlier, they can register and attend live and recorded lectures with no cost implication.

We will provide candidates with access to our online material; but will only send physical material (our files) once they pass CTA.

If a candidate pass, they will receive material and their fee will become payable. If a candidate unfortunately fails, we will cancel their online access and no fees are payable.

If a candidate wishes to obtain material before they receive their results a cancelation fee of R1 850 is payable. This fee is to cover our printing and distribution costs if a candidate subsequently fails.

Please note that once a student registers and get access to our online material and they subsequently pass they will be **eligible for the full course fee**.

In conclusion, allowing candidates access to our online classes and material before they receive results are aimed at assisting candidates awaiting results and cannot be used as a 'no-cost implication' cancelation if they pass CTA.

Also take note that all classes are recorded and available for viewing at any time.

Please do not hesitate to contact us for more information.

Looking forward having you on our course!

Regards

The **Gauteng Board Course** Team
